Dear Michael,,

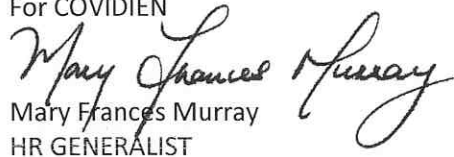

I am writing to you in relation to some used Computers we have available to donate to local schools or organisations.

Your school was nominated by William Tubridy and I am delighted to confirm that we are donating one Computer to the school.

Hopefully you will be able to make use of this. William will collect same on your behalf. I would be grateful if you could take a photograph of him presenting it to you and forward to me for our files.

Should you have any queries, please do not hesitate to contact me.

Yours sincerely,
For COVIDIEN

Please note all computers being donated will no longer be covered by Covidien warranty and any services issues will have to be covered separately by the receiving school/organisation.
