

Lexia Reading[®]

Installing Lexia Reading at Home (Desktop Version)

These instructions are for parents and guardians who have been notified by their school that Lexia Reading[®] can be used at home. (International users will see Lexia Reading UK.) Note that Lexia Reading is also available as an iPad or Android tablet app.

For assistance with the installation and usage of Lexia Reading, please contact your child's school.

Step #1: Can your computer run Lexia Reading?

Mac OS

- Mac OS X 10.4 or higher

Windows

- Windows XP (SP3),
Windows 7, 8 and higher

Additional System Requirements

- At least 256 MB RAM
- At least 500 MB hard drive space
- Headset (recommended) or speakers
- 32 MB accelerated video graphics card or better

Do you filter content on your home computer?

Please configure all content-filtering software, firewalls, and browsers on your home systems to allow access to *student.mylexia.com* and *update.lexialearning.com* via SSL (port 443).

Step #2: Download Lexia Reading Desktop Installer

1. In an Internet browser, go to www.lexialearning.com.
2. Click **Downloads** in the upper-left hand corner.
3. Accept the license agreement.
4. Click the version you want to download.

Step #3: Install & Configure Lexia Reading

a. **Windows Users only:** Double-click the **Lexia Reading.exe** installer file that you downloaded.

You may receive a warning message from Windows, saying the publisher of the software is unknown. This is normal, and it is safe to click **OK** to continue with the install.

Follow the screen prompts until you see the **Customer Code** screen (*below*). Proceed to step c.

Note: The Customer Code in this graphic is for example only.
See the next page for your school's Customer Code.

For more information, see <http://www.lexialearning.com/lexiasupport/school-to-home>
For assistance, please contact your student's school.

Lexia Reading

b. Mac Users Only: Double-click the **Lexia** volume (or **Lexia UK**) that you downloaded. Drag and drop the Lexia icon from the left to the Applications folder on the right to install.

In the Applications folder, click the Lexia icon. The Settings screen displays.

A screenshot of the Lexia Settings application window. It has three sections: "General Settings" with a "Customer Code" field (highlighted with a red box) and a "Product Updates" checkbox; "Advanced Settings" with fields for "Server URL" (http://student.lexia.com), "Additional Options" (Full Screen, Hide Password, Network Request Timeout), and a "Check for Updates" checkbox; and "Proxy Settings" with fields for "Proxy Address", "Proxy Port", "Proxy User", and "Proxy Password". "Save" and "Cancel" buttons are at the bottom.

c. Windows and Mac Users: Type in the **customer code** you received from the school (include dashes).
Warning: Do not copy and paste the customer code or the installation may fail!

Customer Code: 3926 - 8638 - 7727 - 2662

Other changes to settings are not recommended. Do **not** configure any proxy settings.

d. Windows: Follow the screen prompts to complete the installation.
Mac: Click **Save** to close the Settings screen.

Step #4: Using the Lexia Reading Student Software

- Double-click the Lexia Reading icon on your desktop to launch the software.
- Your child will need to type in their username and password to start.

A screenshot of a "Student Login" window with fields for "Username:" (containing "Treet") and "Password:".

Username: _____
Password: _____

Note: Lexia Reading is intended for independent practice by the student with no assistance from parents or siblings. Please allow your child to work at their own pace without assistance.

Getting a 1029 error? Please see <http://lexialearning.com/products/mylexia/faqs/mcafee.html> for instructions on fixing this issue.
