

Dear Parent/Guardian,

The program our school is using to help students develop their reading skills has been updated! If you have previously installed the **Lexia Reading**<sup>®</sup> student software at home you will need to update that version. If you have not yet installed *Lexia Reading*, please follow the directions for full download of the software.

**Update (existing users):**

1. Go to the *Lexia Reading* license page via an Internet browser. Click Agree.  
<http://www.lexialearning.com/support/lexiareading/license.html>
2. Click on the link labeled "Update" and save to your computer.
3. Double-click on the file you saved and follow the on-screen prompts to update.

**Full Download (new users):**

1. Follow the instructions in this document to download and install the software:  
<http://www.lexialearning.com/files/support/LexiaReadingSchoolToHomeOverview.pdf>
2. Information you will need:

<p><b>School Customer Code</b> <u>3926 - 8638 - 7727 - 2662</u></p> <p><b>Student login information:</b></p> <p><b>Username:</b> _____</p> <p><b>Password:</b> _____</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Please Note:** *Lexia Reading* is intended for independent use by the student with no assistance from parents or siblings. Please allow your son/daughter to work in the program at their pace without your guidance. We recommend that usage be kept to a reasonable level of 20-30 minutes per session, not too short and not too long to maximize the benefit while maintaining student interest.
