Re: Ward Donation

Dear Mr. Tunney,

The Management and Staff of St. Joseph's Ward wish to express our deep appreciation to you and your school community for your generous donation.

Such a substantial donation will contribute greatly to further development of the ward. It will be our intention that your donation will be used to purchase: DVD players, Televisions and Armchairs for patients and parents. Due to your kind generosity these purchases can be made, thus reducing anxieties for both parents and children. And making their stay in hospital a much more enjoyable one.

Once again we would greatly appreciate if you could forward our thanks to your generous staff and students.

Kind regards
